Membership Requirements

Kyneton Pony Club relies on the support of members and their families to run the club efficiently and fairly. Each membership year, member families are required to: Help in the canteen as rostered, help set-up/pack-up at rallies, maintain, prepare and tidy family allocated cross country jumps throughout the year and before Horse Trials (family jumps will be allocated to families at the renewal of membership).

In addition, member families are required to:

- Complete 6 hours minimum towards KPC's competitions (3 hours per comp) (This is over and above maintenance of family allocated cross country jumps).
- Complete 8 hours minimum at working bees scheduled throughout the year.

The above hours will be logged. If families are not able to or choose not to log the required hours (8hr + 6hr), families will be charged \$50 per hour by way of a maintenance fee.

I.....agree to abide by the KPC requirements of membership.

In addition (or by replacement with approval of the committee), members can contribute in different ways and all contributions are welcomed.
